

RATHMORE PARISH NEWSLETTER

Week 5: Nothing is impossible to God. Has something 'died' in your life, something that Jesus could restore? Don't give up. There is a finish line and as we journey toward Holy Week, God is with you every step of the way. God's mercy is deep. It is only when we go deeper into our relationship with God that we experience the grace and strength to further our relationship with Him.

COVID-19 Support Line for Older People

ALONE has launched a national support line and additional supports for older people who have concerns or are facing difficulties relating to the outbreak of COVID-19 (Coronavirus). Professional staff are available to answer queries and give advice and reassurance where necessary. The support line is open Monday to Friday, 8am-8pm, by calling 0818 222 024. Hours may be extended to meet the demand.

This is an occasion for all of us – especially in families -to pray more intensely for each other and especially for those who have succumbed to the illness. We should pray also for those in the frontlines – especially doctors, nurses and medical staff and other carers, including clergy – that the Lord will protect them as they place their own wellbeing at risk in the service of all

Observations re Funerals

During the week we had our first funeral under the new guidelines, and thanks to the assistance of all involved everything was organised in a very satisfactory way.

1. You will notice on RIP.ie the following: "In accordance with national guidelines and in the interest of public health, Funeral is private for family members only. A Memorial Mass to celebrate the person's life will be held at a later date which all can attend."

2. For families it is important to keep physical distancing within the home particularly when there is slightly greater traffic than normal.

3. Within the Church Physical Distancing will be strictly applied The top seats on each side of the aisle will be kept for the immediate family so that they have room to separate themselves as they see fit. All other family members attending will physically distance in accordance with the chart below. Note every second seat and ensure the proper distance as is suggested. Physical distancing in the Church will mean that numbers attending are quite limited.

4. Once the funeral cortege has arrived at the church, we suggest that apart for the pall bearers, all other family members should enter the Church and take their place in advance.

5. Physical distancing should also be observed when entering and exiting the church and in the cemetery.

6. If the Requiem Mass takes place in Rathmore Church the family have the option to have the ceremony streamed for the benefit of extended family and friends. This option is open to all families in the parish.

(These guidelines do not apply to special category funerals.)
