Life a different perspective!

1) OPINIONS

On the first day of school, a child handed his teacher a note from his mother .. The note read, '*The opinions expressed by this child are not necessarily those of his parents.*'

2) KETCHUP

A woman was trying hard to get the ketchup out of the jar. During her struggle the phone rang so she asked her 4-year- old daughter to answer the phone. 'Mommy can't come to the phone to talk to you right now. She's hitting the bottle.'

3) GARDA

It was the end of the day when I parked my Garda van in front of the station. As I gathered my equipment, my police dog, Jake, was barking, and I saw a little boy staring in at me.

'Is that a dog you got back there?' he asked.

'It sure is,' I replied.

Puzzled, the boy looked at me and then towards the back of the van. Finally he said, 'What'd he do out of the way, to be arrested?'

4) SCHOOL

A little girl had just finished her first week of school. 'I'm just wasting my time,' she said to her mother .. 'I can't read, I can't , write, and they won't let me talk!'

5) ELDERLY

While delivering lunches to elderly, I used to take my 4-year- old daughter on my afternoon rounds. She was unfailingly intrigued by the various appliances, particularly the canes, walkers & wheelchairs.

One day I found her staring at a pair of I false teeth soaking in a glass. As I braced myself for the inevitable barrage of questions, she merely turned and whispered, 'The tooth fairy will never believe this!'

NOW IF THIS DIDN'T BRIGHTEN YOUR DAY,GO BACK TO BED AND FORGET IT.
