

OUR PARISH MISSION STATEMENT

In our Parish people are nourished by the Word of God. It is a Parish where love is tangible and practical. It is a place where people pray together. Our Parish community is centred on Jesus Christ, on knowing and loving Him. It is incarnated in the love we show one another.

EUCARISTIC ADORATION IN OUR PARISH EVERY WEEK

Rathmore Church Wednesday evening from 6-7pm before Mass Knocknagree Church: Thursday mornings
from 10am – 11am Gneeveguilla Church Eucharistic Adoration: Tuesday morning @10am-8pm

Leading the Rosary in Shrone Church: Having the rosary recited before Mass creates a prayerful atmosphere in Rathmore, Gneeveguilla, and Knocknagree Churches. We are seeking volunteers to lead the rosary in Shrone Church (as we had before COVID.) If we can get a few volunteers, it will hopefully mean that you will only have to lead the rosary once a month.

Volunteering

With busy lives, it can be hard to find time to volunteer. However, the benefits of volunteering can be enormous. Volunteering offers vital help to the community, but the benefits can be even greater for you, the volunteer.

Volunteering connects you to others Volunteering allows you to connect to your community and make it a better place. Dedicating your time as a volunteer helps you make new friends, expand your network, and boost your social skills.

Volunteering is good for your mind and body: Volunteering provides many benefits to both mental and physical health. The social contact aspect of helping and working with others can have a profound effect on your overall psychological well-being. Nothing relieves stress better than a meaningful connection to another person.

Volunteering increases self-confidence. You are doing good for others and the community, which provides a natural sense of accomplishment. Your role as a volunteer can also give you a sense of pride and identity.

Volunteering provides a sense of purpose: Adults, especially those who have retired or lost a spouse, can find new meaning and direction in their lives by helping others. Whatever your age or life situation, volunteering can help take your mind off your own worries, keep you mentally stimulated, and add more zest to your life.

Volunteering helps you stay physically healthy. Studies have found that those who volunteer have a lower mortality rate than those who do not.

Volunteering Opportunities

Shrone Cemetery Committee

As mentioned at the recent Cemetery Mass we need to have a proper Cemetery Committee to look after the cemetery and plan for future needs. We already have Mick Hickey and Den Creedon, but also need other members.
